### Stock markets rally on positive news flow

Global stock markets posted decent gains in the week as sentiment improved amid a broadly positive tilt to corporate earnings announcements and a better-than-expected tone to economic data releases.

[Read more »](#)

### Movers & shakers

With earnings season in full swing, equity investors appeared to gather comfort from corporate numbers that suggested economic and business prospects were in robust shape.

### And finally

A round-up of some of the other news and events to emerge in the past week. Growth in Europe's services and manufacturing industries accelerated in July, aided by an increase in exports to a growing global economy, according to Markit Economics.
